DINE IN - TAKEAWAY - ARROWTOWN

Welcome to Arrowtown, welcome to Slow Cuts.

Every condiment is made in house. The breads we use are supplied by a local artisanal bakery from original recipes. Our meats are from Southland and our chickens are free range. The beef we use in our burgers is 100% South Island dry aged Hereford Prime Steer. We grind our beef daily, and recommend a burger that is served at 'medium' temperature, however if you want yours cooked to 'well done' please advise us.

Due to the freshness and lack of additives, these patties will retain a natural pink colour.

If you have any dietary requirements, please let us know.

All sandwiches and burgers can be served in a gluten free bun for \$1.50 extra or in a lettuce cup at no additional cost.
